Description

Elegant 1950s modernist lamp combining a polished brass shaft, faceted crystal elements and pale yellow opaline diffusing a soft, warm light. With its sober, refined lines, it will easily find its place in a contemporary, vintage or mid-20th-century design-inspired interior. The electrification has been completely overhauled and the wiring replaced. The lamp is ready to use. The set is preserved in very nice overall condition. A few discreet traces of use are visible on the brass, in keeping with the age of the piece.
