

Silver Circle Crystal Bowl/salad Bowl/jug

320 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Description

Beautiful crystal bowl resting on a foot, embellished with a fine silver border. The crystal features a cut-panel decoration evoking the famous Baccarat Harcourt style, with beautiful transparency and lovely plays of light. A contemporary frieze elegantly highlights the upper part of the salad bowl, while the foot is also enhanced by silver banding, bringing refinement and harmony to the ensemble. Dimensions: Diameter: 20 cm Height: 10 cm Beautiful decorative and tabletop object, combining the elegance of cut crystal with the charm of French goldsmithing
