Description

Etling Bison in opalescent glass. Art Deco period. Length 18 cm, Width 9 cm, Height 14 cm. Note a small chip on the first level of the base, a small dent on the base near one of the hind legs, and some roughness and loss at the tips of both horns and on three corners under the base. The piece is signed "ETLING FRANCE" and numbered just above the word "France". Despite the wear and tear it has sustained over time, this piece remains beautiful and rare.
