Length : 65

Width : 27

Description

Oil on cardboard, 65 × 27 cmSigned and dated upper leftAn emblematic artist of the Belle Époque, Louise Abbéma is best known for her portraits and intimate scenes. She also devoted a portion of her work to floral compositions imbued with freshness and spontaneity. In this depiction of hollyhocks, she delicately renders the slender stems and rich colors, in a free, luminous facture characteristic of her painterly sensibility.
