Description

Classic chest of drawers in amaranth veneer opening on the front with 4 drawers in three rows, rounded uprights, slightly curved shape on the front, moulded breccia marble top, attractive ornamentation in chased and gilded bronze. Of good proportions, not too large, this mid-18th century chest of drawers is presented in good condition, stamped with Angot varnish, for Jacques Angot maitre February 23, 1743. Classical and elegant model of good workmanship.
