Height : épaisseur: 5,8 mm environ (au plus haut)

Description

Very luminous, these jewelry earrings are inspired by the figure of the radiant sun or a stylized floral fan. Their particularly crafted architecture combines the depth of emerald pavé with the delicate sparkle of a diamond surround, creating a remarkable play of light from every angle.The center of each loop is composed of an assemblage of round emeralds of the finest quality, totaling approximately 2.60 carats. Selected for their vivid green color, beautiful transparency and excellent crystallization, they offer a luminous, vibrant presence that immediately catches the eye.Around this heart of emeralds blooms a radiant motif formed of 8/8-cut diamonds set on shuttle- or leaf-shaped elements. These diamonds, with an estimated total weight of 1.18 carats, bring radiance and

lightness to the whole, evoking the rays of a sun or the petals of a precious flower.One of the most seductive features of this creation lies in its important work of relief and volume. The stones are arranged on several levels, creating a truly three-dimensional effect that enlivens the curls with the slightest movement. This in-depth construction, combined with a deliberately asymmetrical composition in the design of the rays, lends the ensemble a great deal of personality, a remarkable presence when worn and a very jewel-like finish.The closure system combines a post for pierced ears and a clip racket, offering security, stability and comfort at the same time, even when worn for extended periods.A pair of earrings with an assertive character, bringing together the intense freshness of emeralds and the timeless brilliance of diamonds in a particularly refined solar composition.Total weight of emeralds estimated at approximately 2.60 caratsTotal weight of diamonds estimated at approximately 1.18 caratsGross weight: 9.30 gCondition: imperceptible micro-scratches on the metal, natural and characteristic inclusions in the emeralds and diamonds not perceptible to the naked eye.Possibility of payment entirely at a distance via the site.We remain at your disposal for any information concerning another method of payment.Are you a professional?
