Description

Magnificent antique bronze chandelier depicting a cherub, dating from the early 20th century. This piece is distinguished by its refined finish and the fine quality of its bronze, testifying to a high level of craftsmanship. The chandelier is equipped with 4 light points and retains its original lampshades, giving it all its charm and authenticity. The electrical installation has been completely renewed, enabling for immediate use with complete peace of mind. An elegant and decorative piece, ideal for adding character and a classic touch to any interior.
