Period : 20th century

Condition : Très bon état

Description

Barbieri:"Lumière d'un matin d'Automne", oil on canvas 70 X 50 cm, unframedsigned indistinctly in the matter lower left, countersigned,titled in Italian and dated 1970 on the back.From the personal collection of the director of Galerie Mouffe, Paris.I must confess : without the inscription transcribing the artist's name on the stretcher, I'd have been hard pressed to decipher the signature ! That would have been a shame : the colors tones, worked in a slightly grainy material akin of the lime plaster on Italian village walls, create shapes that are reminiscent of Gorgio Morandi's Natures Mortes, and are extremely modernity, delicate and sober.Do not hesitate to ask us for photos or further information by e-mail or telephone.Further photos and many other items in our Pau boutique
