Description

This corozo snuffbox is a 19th century work, made either by convicts or sailors to pass the time or make a little nest egg to improve daily life. This one is a technical feat, indeed, the carving is particularly detailed. It depicts gardener's attributes with a fruit basket, a filled basket, a wheelbarrow, a shovel and on the other side we find a lamb. As for condition, let's note traces of wear due to use, classic on this type of object. The patina is generous. Our photos allow you to appreciate the quality of the object. For condition, please detail the photos. Do not hesitate to zoom in. Photos are an integral part of the description. Dimensions: Height: 3.5 cm Width: 9 cm Depth: 4.5 cm M4070
