

## Sculpture / Asmat Anthropomorphic Drum

18 500 EUR

Period : 20th century

Condition : Très bon état

### Description

**PUBLISHED EXEMPLAIRE - TRIBES**

(Jean-Pierre Dutilleux).Description

Exceptional Asmat (Papua) ritual sculpture, forming a monoxyl column entirely carved with interlocking anthropomorphic figures. These figures embody the ancestors and reflect a genealogical continuity specific to Asmat cosmological systems.Highly present object, linked to ritual practices, warfare and communication with the spirit

world.DimensionsHeight : approx. 110
