

## Openwork Ring In Platinum, 750/000 Yellow Gold And Sapphire.

3 500 EUR

Period : 20th century

Condition : Très bon état

Material : Platinum

### Description

Openwork ring in platinum and 750/000 yellow gold, set with a central oval clear sapphire weighing approx. 1.2ct, surrounded by brilliant-cut and old-cut diamonds. The body of the ring is in platinum, and the closed setting of the sapphire in 750/000 yellow gold. The shoulder is foliate patterned, the basket openworked and the band worked. Total weight: 4.28g. Very good condition, a few light scratches from use.
