### Description

José Maria David - Le Guépard "Le Guépard", made in bronze, Chapon cast. Numbered 4/8. With remarkable intensity, the artist captures one of the most fascinating animals in the animal kingdom in a posture of movement and tension. The cheetah's slender body seems suspended in the moment, between balance and acceleration, conveying all the power and grace characteristic of this iconic predator. The lively, expressive modeling reveals José Maria David's talent for rendering animal energy. The worked surface, rich in material and relief, captures the light and animates the sculpture from every angle of view. This approach lends the work exceptional presence and decorative power. Crafted by the prestigious Fonderies Chapon, renowned for the excellence of their craftsmanship, this cast
