Description

Enhance your bathroom with this antique Napoleon III vanity set, featuring a mirror in the Louis XV Rococo style.Dating from the late 19th to early 20th century, it is made of black-patinated wood, topped with beautiful red marble, and is in very good condition. Fully restored and modernized in our workshop for contemporary daily use, it is ready to be installed. New earthenware basin and brass faucets (I can also offer a white basin with gold-plated faucets--see the last photo).The cabinet features 5 drawers in the lower section, providing ample storage space, with beautiful gold-plated bronze hardware. Dimensions in cm:106 x 55 height from 84 to 183 This item is also on display in my store in Morbihan, southern Brittany, where you can pick it up if you wish.For shipping costs,
