Italian Walnut Chest of Drawers Exquisitely crafted Italian walnut chest of drawers, featuring sculpted lines and a solid solid wood frame, ideal for classic interiors.Code: R53Period: late 17th century / early 18th centuryOrigin: Central ItalyWood: WalnutHeight: 92 cmWidth: 145 cmDepth: 59 cm Description: Three-drawer chest from central Italy, dating to the late 17th century. The structure is entirely made of solid walnut. The front features three drawers, faced with pre-burl walnut and characterized by geometric panels, defined by light-colored wood fillets, which create a chromatic contrast with the walnut grain. Each drawer is fitted with a bushing and two teardrop-shaped handles.The front structure is flanked by fluted twisted columns that run along the front uprights and extend into the base,
