Description

Neoclassical-style display cabinet, made of carved, lacquered, and gilded wood. The central door and curved sides feature beveled glass panels, with the panels below adorned with carvings of vases with central flowers and side garlands. Moldings and uprights carved, as are the truncated conical legs. Two interior glass shelves are missing. Italy, late 19th century.Product condition:Due to its age and wear, this piece requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. Should any details not be clear from the photos, the description takes precedence.
