Description

Mountain Landscape Painting Antique painting depicting a mountain landscape, framed in dark wood, ideal for decorating mountain homes, cottages, and both modern and rustic chalets. Technical Information Period: mid-20th century Provenance: Germany Artist: Kurt Claußen-Finks (1913-1985) Technique: oil on panel Artwork dimensions: 23 x 25 cm Dimensions with frame: 37 x 38 cm Description: The painting depicts an alpine landscape with grassy slopes, rocky outcrops, and a uniform sky occupying the upper part of the composition. The mountain ranges are rendered with compact brushstrokes and tonal variations that suggest the natural depth of the terrain. At the bottom, groups of conifers are arranged along the valley. The work is set in a dark, solid,
