Description

A beautiful Art Deco-era silver display case, a centerpiece with an architectural design of timeless elegance.Its clean, geometric lines--typical of the style--and deep black patina finish contrast beautifully with its central bronze medallion in high relief depicting a ram.Opening its large glass door reveals a storage space consisting of 6 drawers for storing silverware or other collectibles. In the display section, there are two height-adjustable shelves, refurbished lighting, and a mirror on the back (the original mirror is slightly chipped but can be easily replaced if you wish). Dimensions in cm: 88 x 48, height 170 This item is also available for viewing at my store in Morbihan, southern Brittany, where you can pick it up if you wish.For delivery costs, additional photos, or further information, please
