Description

We are pleased to present this splendid 19th-century oil painting on canvas. This magnificent landscape features an illegible signature in the lower right corner. Additional inscriptions are present on the back of the canvas.The artist depicts a beautiful natural scene from early autumn or late summer; the inscriptions on the back suggest a view of the River Avon. A placid stream flows between grassy banks and dense reeds. Two white swans swim near the left bank. Large, leafy trees with shades of green and brown dominate the center and background. Dense marsh vegetation and reeds grow in the lower right corner in the foreground. The landscape is completed by a sky with clear, luminous shades of blue and white, suggesting a partly cloudy day.This painting
