

18th-century Curved Corner Cabinet

2 800 EUR

Period : 18th century

Condition : En l'etat

Material : Other

Width : 70 face et 50 cotés

Height : 202

Depth : 45

Description

An exceptional corner cabinet made of original painted poplar. The front is curved, and it stands on high, splayed legs. It has one drawer and one door, which is richly carved. It is entirely in its original condition; the door lock does not work. The piece is an 18th-century Italian cabinet.
