Length : 43.5

Width : 43.5

Description

Maurice DENIS Grandville 1870 - Paris
1943 Study for *Galatée ou la Poursuite* Circa
1908 Charcoal on cream paper 43.5 x 43.5 cm
sheet 55 x 54 cm frame Provenance: Collection of
Romain Denis, the artist's grandson, then Galerie
Daniel Greiner, Paris, which acquired this
drawing from the latter. Good condition Our
drawing is a preparatory study for the central
figure of the painting titled Galatée ou la
Poursuite (see photo), painted in 1908 and housed
at the Musée Départemental Maurice Denis in
Saint-Germain. The quality of the drawing, the
visible corrections, the use of charcoal, and the
study of the body in motion are reminiscent of
Edgar Degas's graphic explorations.
