

18th-century Christ Figure In Linden Wood

350 EUR

Period : 18th century

Condition : Très bon état

Material : Solid wood

Description

Large 18th-century Christ figure carved from linden wood. Mounted on a walnut cross, this Christ figure is depicted with his head slightly tilted to one side. The head and perizonium are beautifully carved, with a warm patina; note the damage to the fingers. A fine piece in good condition.
