### Description

A magnificent landscape painting from the 19th-century European school - Signed "Lambert" We are pleased to present a charming, exquisitely rendered 19th-century oil on canvas depicting a classic bucolic landscape along a riverbank. The scene features a picturesque thatched cottage nestled among tall, majestic trees along a peaceful riverbank. In the foreground, two figures are strolling along a path. In the distance, the riverbank suggests the silhouette of a village, subtly blurred beneath a deep, infinite blue sky. The work captures the serene and romantic essence of the 19th-century European landscape tradition (likely of the French school), thanks to a remarkable play of light and delicate brushwork. Subject: Bucolic riverside landscape with a thatched cottage and figures. Artist: Signed
