Description

Dimensions: 91 x 46 cm, H: 43 cm. Materials: Eglomized glass top, brass, metal. This neoclassical-style coffee table is a brass creation with a glass top, often attributed to Maison Jansen from the 1960s. The tabletop, painted on the reverse side of the glass, shows some light scratches due to age and wear, as well as a chip and a few cracks (visible in the photos). The frame (legs and base) was likely painted in antique gold, also visible in the photos.
