Description

Italian design - home decor - Vintage This pineapple-shaped ice bucket, designed by Mauro Manetti, is a vintage Italian decorative item from the 1960s or 1970s. This is the "Risi" model, made of silver-plated metal with silver-plated metal leaves and an insulated plastic interior. This exceptional pineapple-shaped piece is a testament to Mauro Manetti's creative genius and was crafted with extreme meticulousness for the renowned Florentine foundry Fonderia D'Arte. Dimensions: Ø 15 cm, H 26 cm. Materials: Metal and plastic.
