DisciplesThe work stands out for its resolutely modern treatment for its time, at the confluence of Post-Impressionism The artist favors a broad, generous, and synthetic brushstroke, prioritizing atmosphere and material contrasts over academic detail. The depiction of Christ, haloed in white, contrasts with the ochre and earth tones of the fishermen in the foreground and the fortified city in the background, lending the scene great mystical and decorative power.Signed lower right

G. Taïxo inscription confirmed on the reverse

Features a beautiful ink stamp from the famous Parisian art dealer HARDY ALANExcellent
