

## Art Deco Pedestal In Red Marble, Early 20th Century

950 EUR

Period : 20th century

Condition : Bon état

Material : Marble

### Description

Description: An elegant Art Deco pedestal from the early 20th century, crafted from two varieties of red marble with rich hues. The purity of its architectural lines and the balance of its proportions exemplify the refined geometric aesthetic characteristic of the Art Deco movement. The contrast between the different shades of marble creates a sophisticated visual effect, while its imposing form gives the pedestal a strong decorative presence. Designed to hold sculptures, vases, or other decorative objects, it can also be used as a standalone architectural element. Its timeless design and the nobility of its materials make it ideal for both classic and contemporary interiors. Dimensions: Height: 123 cm Width: 25 cm Depth: 25 cm Condition: Very good condition. Slight signs of wear due to age
