Decorative Greek Bust On An Iron Pedestal, Second Half Of The 20th Century

2 000 EUR

Period : 20th century

Condition : Bon état

Material : Stone

Description

: An elegant Greek-style bust, created during the second half of the 20th century, inspired by classical antiquity and likely based on a renowned museum piece. Crafted from reconstituted stone, it faithfully captures the timeless beauty and nobility of the ancient Greek portrait.The figure, with its finely sculpted features, flowing hair, and ideal proportions, bears witness to the enduring influence of Classical and Hellenistic art. Mounted on a custom-made iron base, the bust takes on a more contemporary look while retaining its historical inspiration.Its impressive dimensions and sculptural quality make it an ideal decorative piece for libraries, entryways, gardens, terraces, or classically inspired interiors.A refined decorative piece that combines the grandeur of Antiquity with 20th-century
