### Description

The clock features a monumental design adorned with rich acanthus leaves, grape clusters, beaded friezes, and female mascarons. The circular enamel dial is signed "Philippe Fabre, Paris, 66 Palais-Royal", with blue Roman numerals and finely openwork hands. The upper section is topped by a covered urn decorated with cascading garlands and flower baskets, a classic symbol of abundance. The two matching candelabra, with multiple arms, feature the same decorative motifs: plant scrolls, grape clusters, feminine mascarons, and finely molded candle holders. A beautiful decorative set designed for a classic interior, a mansion, or a home of character.
