Description

Art Deco walnut sideboard, 1930sElegant original sideboard from the 1930s, an authentic expression of the Art Deco style. Crafted in walnut with fine veneers, it features beautiful flame-grained wood on the central front panel and soft lines with curved sides that enhance its formal harmony. The structure is solid and well-proportioned, with a contoured base and an upper section featuring a shelf, ideal for displaying decorative objects. The original metal handles and locks complete the piece's vintage character.A piece of great charm, perfect as a centerpiece in a classic, vintage, or eclectic setting, capable of combining functionality with timeless refinement.
