Description

An elegant round side table in gilded bronze and glass, dating from the 1970s and likely made in France. Combining refined materials with a timeless design, this table embodies the luxurious decorative aesthetic that characterized high-end European interiors of that era. The finely crafted gilded bronze frame offers a rich visual contrast with the clear glass top, creating a light and sophisticated look. Its balanced proportions and elegant circular shape make it a versatile piece, ideal as a side table, coffee table, or decorative element in both classic and contemporary interiors. The warm gilded finish of the bronze enhances the table's decorative appeal, while the glass top fully reveals the sculptural quality of the base. An elegant and highly decorative piece that attests to the enduring influence of French
