Description

A late 19th-century parlor side table resting on four curved legs joined by a shaped stretcher. The tabletop features a large porcelain medallion at its center depicting an elegant aristocrat in the 18th-century style, surrounded by twelve miniature portraits of famous women from the Ancien Régime and European aristocracy, including Madame de Pompadour, Madame Victoire, Madame Sophie, Madame Châteauroux, and the Duchess of Devonshire. The portraits are set within delicate openwork mounts decorated in the Neo-Louis XVI style, creating a jewel-like effect. The whole is enhanced with rich gilding that contrasts with the dark patinated frames. A decorative piece for a classic interior, a cabinet of curiosities, or a collection of 19th-century decorative arts.
