

New Collection Of Antique Medicine Jars (ii)

135 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Description

A wide selection of cylindrical porcelain apothecary jars dating from the mid-19th century to the mid-20th century (1850-1950), sold individually, of course. They make a very beautiful decorative addition; please feel free to ask us for more information and detailed photos, as we cannot photograph them one by one--we currently have about 150 for sale, in both small and large sizes. Prices range from EUR60 to a maximum of EUR140. We can easily handle packaging and shipping within France and Europe at very reasonable rates.
