Description

This striking modern bronze sculpture depicts a bull, an animal that symbolizes strength, power, determination, and vitality. Created in a contemporary style, the artist has reduced the animal's form to its essential volumes, creating a dynamic and expressive composition that combines movement with sculptural simplicity.Signed and numbered, this work is a limited edition. Despite its compact dimensions, the sculpture possesses a strong visual presence, magnified by the richness of the bronze and the bold treatment of the bull's anatomy.The bull is a recurring motif in modern and contemporary art, celebrated by artists for its symbolic power and timeless appeal. This sculpture brilliantly captures that spirit while maintaining a refined and decorative aesthetic.A prime piece for
