Description

(available now)Description: Be captivated by the timeless elegance and robustness of this 19th-century Louis XVI style frieze table, crafted entirely from solid walnut. Its warm and deep traditional waxed patina highlights the natural grain of the wood and perfectly embodies the craftsmanship and charm of traditional cabinetmaking. Its simple and elegant base supports a tabletop adorned with a walnut burl frieze, typical of the period. Modularity and conviviality: Designed to adapt to all your gatherings, this exceptional table features a sliding extension system allowing for the addition of up to 5 leaves. It thus transforms from an intimate family table into an impressive banquet table that can comfortably accommodate a large number of guests.Dimensions: Closed length
