Description

A richly carved and openwork light oak console table. Thesymmetrical interlacing patterns, garlands of flowers, and plant motifscome together to form a beautiful carved shell at the center of the apron.The bases of the four generously curved legs are openwork anddecorated with an acanthus leaf.The carved crossbar connecting the four legs features a generous centralknob adorned with a large openwork shell and floral scrolls.This console table, with its balanced and finely executed motifs, features in severalplaces the famous shell motif characteristic of the Regency period; it istopped with its original reinforced marble: Aleppo marble. This marble,predominantly yellow and composed of colored fragments, comes from the quarry atTholonet, near
