Description

An elegant pair of French wall sconces in finely chiseled gilded bronze, dating from the early 20th century. Richly ornamented and crafted with exceptional attention to detail, these sconces exemplify the refinement and craftsmanship associated with the finest French decorative arts. The bronze has been beautifully hand-sculpted and chiseled, featuring fluid lines and refined ornamental motifs that create a sense of movement and elegance. The warm gilding enhances the sculptural quality of the design, making this pair both functional lighting fixtures and true works of decorative art. Professionally rewired for modern use, these sconces combine historic charm with contemporary practicality. Their timeless design makes them suitable for a wide variety of interiors, from the most classic
