## Description

An elegant sterling silver cuff bracelet featuring geometric and architectural lines, designed by Frank Gehry for Tiffany & Co. It comes with a fabric pouch in the jewelry house's iconic blue."Torque" collection. "Tiffany & Co. Gehry" signature accompanied by the "925" hallmark on the inside.Hallmarks visible on the outside.Frank Gehry (1929-2025) is an American-Canadian architect associated with the deconstructivist and post-structuralist movements. Trained at the University of Southern California and Harvard, he worked for several firms before founding his own practice in Los Angeles in 1962. His style is characterized by organic, fluid, and dynamic forms. In addition to his personal residence in Santa Monica, which launched his career, he designed many buildings that are now
