18th-century Italian Console Table In Gilded Wood With A Marble Top

11 500 EUR

Period : 18th century

Condition : Très bon état

Material : Marble

Description

A grand and elegant 18th-century Italian console table, finely crafted from carved and gilded wood, retaining its original marble top. A superb example of Italian decorative arts, this piece combines sculptural craftsmanship, fine materials, and the refined elegance characteristic of the finest furniture of the period.The richly carved gilded wooden base is adorned with volutes, foliage, and ornamental motifs characteristic of the late Baroque and Rococo styles. The exceptional quality of the carving attests to the talent of the artisans who created these prestigious pieces for aristocratic residences and palace interiors.The original marble top offers a magnificent contrast to the gilded surface, enhancing the piece's visual richness and architectural presence. Its harmonious proportions
