

Complete Set Of Twelve Victorian Fish Knives In Their Original English Case, 11th Century

150 EUR

Period : 19th century

Condition : Bon état

Material : Silver metal

Description

: An elegant 19th-century English set of twelve fish knives, preserved in its original case. Designed specifically for serving and enjoying fish, these refined tableware items reflect the elegance and ceremonial customs of the Victorian era. Each knife has been meticulously crafted, combining functionality and aesthetics, hallmarks of fine English tableware from this period. The complete set is presented in its original case, which not only protected the pieces but also contributed to their prestige as a luxury table accessory. This type of set was an essential element of elegantly set tables in affluent households, where specialized cutlery played a vital role in formal receptions. Today, they are highly sought after by collectors of antique silver, antique tableware, and Victorian decorative
