

Set Of Fifteen Commemorative Silver Coins From The European Union, 20th Century

250 EUR

Period : 20th century

Condition : Bon état

Material : Sterling silver

Description

This impressive set of fifteen commemorative silver coins was issued by European Union countries during the 20th century. Created to celebrate major historical events, cultural achievements, anniversaries, and key moments in European history, these coins combine numismatic interest with the intrinsic value and beauty of silver. Each coin features finely executed designs, showcasing national symbols, historical figures, architectural monuments, and commemorative motifs representative of the issuing country. The set offers a fascinating glimpse into the artistic and cultural diversity of modern Europe. Carefully preserved as a single lot, these coins are ideal for collectors of numismatics, European history, and precious metals. Their presentation as a set enhances their
