

Louis XIV-style Game Table From The Napoleon III Period

2 200 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Width : 90.5

Height : 77

Depth : 45

Description

A Louis XIV-style game table from the Napoleon III period, made of blackened wood and richly decorated with gilded bronze ornaments. The rectangular tabletop is inlaid with a checkerboard pattern for chess. It rests on four tapered legs adorned with rich gilt-bronze motifs, terminated by large acanthus-leaf feet. The open top is covered with green felt. Very good condition. Late 19th century. Dimensions when open: 90.5 x 90.5 cm
