Description

A charming and rare "kingfishers in the reeds" vase by Gallé. Original and very charming design featuring two kingfishers gazing at each other in the reeds. The design is entirely etched with acid, showcasing the nature theme dear to Gallé. A lovely baluster shape with a pedestal base and a slightly flared neck. Shades of green, opaline, brown, and even blue. Elegant and refined--I'll let you be the judge...22.5 cm tall, well-documented 1900 model, signed within the design. A very beautiful Art Nouveau vase with a rare design!
