Description

A decorative bronze relief plaque depicting a stylized human face, presented in an elegant frame. The relief sculpture creates a striking interplay of light and shadow that highlights the expressive features and sculptural quality of the composition.Despite its compact size, the bronze plaque exudes a strong artistic presence, combining the timeless charm of bronze with the sophistication of a frame. Its classical inspiration and textured surface make it an attractive decorative piece, suitable for a variety of interiors, from the most traditional to the most contemporary.Mounted in a custom frame, the piece is ready to hang and can become a distinctive feature in a library, office, gallery, or decorative arts collection.A refined decorative artwork that successfully combines sculpture and
