

Barometer And Clock In Gilded Carved Wood

1 650 EUR

Period : 19th century

Condition : Très bon état

Material : Gilted wood

Description

A set consisting of a clock and a barometer, carved from wood and gilded. Carved identically, they are topped with a flower-adorned canopy surrounded by cascading flowers. The dials are edged with braided cord and cornucopias from which flowers and fruits emerge. They are in excellent condition. They are not in working order. French work from the late 19th or early 20th century.
