Description

A fine and delicate painting applied to a well-prepared, smoothed wooden panel, presented in a lovely wood frame gilded with gold leaf and featuring a bottle-green border; this work is presented on behalf of the artist Th. Franzoni by Galerie Cardo, 61 Avenue Klébert in Passy, Paris. The detailed thistle flowers in their natural setting, in soft shades of green and light purple, set against a neutral, mastic-colored background; this lovely decorative painting bears the artist's monogram in the lower left corner and details on the back. A painting not lacking in luminous and decorative charm, painted with great sensitivity to detail. A beautiful naturalistic painting
