Description

Impressive, they retain their original matching bases. Inspired by the grand vases of classical antiquity, these exceptional decorative objects combine an architectural quality with the natural beauty of one of the most luxurious ornamental stones. Masterfully carved, each crater reveals the spectacular translucency and deep veining characteristic of high-quality onyx. Their elegant proportions, volute handles, and imposing dimensions give them a remarkable presence, making them ideal centerpieces for entryways, winter gardens, terraces, or refined interiors. The stone's warm tones and natural patterns ensure the uniqueness of each piece, while their monumental dimensions evoke the grandeur of classical European decor. Origin: Europe Period: 1950s Material: Onyx Includes: Matching original
