Description

A set of four monumental iron garden urns dating from the 1960s. Made in Italy, these impressive decorative pieces are inspired by the grand urns found in classic European gardens and estates, combining architectural elegance with the patina of age. The urns' naturally oxidized and green-patinated surface enhances their sculptural character and evokes the timeless charm of historic garden ornaments. Their generous proportions and sturdy construction make them ideal decorative elements for French gardens, terraces, courtyards, entrances, or landscaping projects. Rich in decorative presence and classic charm, these urns embody the enduring tradition of Italian-style garden art and outdoor sculpture. Origin: Italy Period: 1960s Material: Iron Finish: Oxidized green patina Dimensions
