Description

A very rare set of 104 CAPRON tiles; they have never been installed. The sizes, colors, thicknesses, and shades may vary from tile to tile, as they are 100% handmade. Installation must be performed by a highly skilled tile setter who will need to use an angle grinder to trim the tiles and, in some cases, even resize them, but the result is superb.the price is 50 euros for one.soon i will sell "etiqette of grand vin "en ceramique ; très connu de Capron
