Pair Of Hand-carved Stone Sculptures, Early 20th Century

16 500 EUR

Period : 20th century

Condition : Très bon état

Material : Stone

Description

This impressive pair of monumental stone sculptures, dating from the early 20th century, is the result of exceptional craftsmanship, demonstrating remarkable precision and attention to detail. These imposing works exemplify the timeless elegance and architectural presence characteristic of classical European garden and ornamental sculpture.Entirely hand-carved from stone, these sculptures feature refined modeling, harmonious proportions, and a magnificent patina acquired over time. Their imposing size and sculptural quality make them ideal centerpieces for French gardens, terraces, entrances, courtyards, or large interior spaces.The natural patina, a result of age, enhances their authenticity and decorative appeal, making this pair a remarkable addition to any collection of
