Description

A monumental terracotta jar dating from the 1950s, originally used for storing grain and agricultural products. Crafted in Italy according to centuries-old rural traditions, this exceptional jar combines functionality with a striking sculptural presence.Handcrafted from terracotta, the jar features generous proportions and a beautifully weathered surface that bears witness to its utilitarian origins. The warm, natural tones, subtle irregularities, and rich patina acquired over time contribute to its authenticity and decorative appeal.Originally designed for agricultural use, this monumental jar is now a remarkable decorative piece for gardens, courtyards, terraces, farms, wine cellars, or interiors with a Mediterranean or rustic aesthetic. Its impressive dimensions and timeless simplicity make it an
